Dear Sir:

In the absence of President Falconer I beg to acknowledge the receipt of your letter of the 13th inst. and to say that I am forwarding it to Colonel Lang, who has charge of the arrangements for the Officers Training Corps at the University.

Mr. Macdonald,

Editor, "The Morning Chronicle",

Dear Mr. Macdonald:

I am enclosing the letter you asked me to send you.

I am sorry that I have been unable to prepare it earlier, and I hope it will be satisfactory.

Yours sincerely,

Mr President Falconer
University of Toronto

My dear Mr President.

I was told today by
Mr W. G. Armstrong that he
had the promise of an inter-
view with you tomorrow, and
that he desired to explain
some ideas which he had
in connection with the teaching
of singing which he hoped
might be recognised by the
University.

I may say that I have known
Mr Armstrong for several
years and believe him to be
very sincere and particularly
enthusiastic about his work.

He is certainly most honest
in his appreciation of the merit
of this theories. He asked
me to write you this note
as in some sense a kind
of introduction which I do
with pleasure, but as I
do not know just what
recognition he desires of
the University, I fear my
letter cannot be of much
service.

Believe me
Dear Mr President
Yours very truly,
G. H. McDonagh

Rev. A. D. Macdonald,
Children's Aid Society,
Calgary, Alta.

Dear Mr. Macdonald:

I am glad to see from the Report which you were good enough to send me of your Society that you are carrying on a large work successfully. I am sure that the reclaiming of so many children from more or less degrading surroundings to healthy homes is a fine piece of citizenship.

I have just come in from Lindsay where last night I saw Findlay MacIntosh and his wife whom you remember.

With kind regards, I am,

Yours sincerely,

President.

Mr. D. J. Macdonald,
Elrwood, Ont.

Dear Sir:

Professor Duckworth, who is an expert in modern Greek, has kindly translated the letter which you sent me. I am sending you his translation herewith, which I am sure you will find to be correct.

Yours sincerely,

President.

Mr. R. A. E. Macdonald,

Teachers' College,

Columbia University.

Dear Mr. Macdonald:

I do not think there is likely to be any opening in the University of Toronto in the coming academic year which would suit you. Our Faculty of Education is for the present complete, and we are not likely to enlarge it in the near future. I will, however, send your letter to Dean Fakenhar in case he should know of anything.

Yours sincerely,

President.

J. A. Machado, Esq.,
224 Wellington Street,
Ottawa.

Dear Mr. Machado:

I have made inquiries from one who would be able to get me the best information as to recent graduates of the University in Medicine, but I regret to say that he reports that he believes it will be impossible to secure one of our graduates for Dr. Grenfell's Hospital in the Labrador. So many of our men are going to the front, or have already gone that there is a very great demand for house surgeons at home. This gentleman to whom I referred the matter is deeply interested in your work, and does not see how anything can be done. This I regret.

Yours sincerely,

President.

W. A. McLean, Esq.,

President, Dominion Highway Association,

Department of Public Works, Toronto.

Dear Sir:

I shall be glad to lay the application of the Dominion Highway Association for the use of Convocation Hall before the Property Committee at its next meeting. The only difficulty that occurs to me is that of being able to secure both the large hall and the examination hall for four days at that time of the session. These buildings are in great use. However, I know that the University will want to help you in any way possible.

I am,

Yours sincerely,

President.

A. E. Maclean, Esq.,
 "Toronto World".

Dear Mr. Maclean:

Mr. Sifton came to see me yesterday morning, and I asked him to send in a petition stating his case. It seems to me to be a very reasonable one, and I hope that the Committee and Senate will allow him his year, though as you say perhaps he aware this does not depend on my judgment alone.

Yours sincerely,

President.

Mrs. Helen M.

Care Mrs. J. Edgar Coleman,

Chicago, Ill.

Dear Mrs. Coleman:

I am very much obliged to you for your generous gift of \$50.00 from the University of Chicago Institute for providing beds in the University Hospital. This amount will provide two beds. I regret, however, that similar regulations will not allow the attending of the care of the patient to be given. We appreciate greatly the generosity of the University Institute. The money will be well spent and there is some need that you be ill.

Yours sincerely,

President.

A. H. Wilson, Esq.

Portland, Oregon.

Dear Sir:

I have been thinking of writing you
for some time but have been so busy that I
could not find time. I am now in the
hospital and am unable to do much work.
I am, however, recovering and hope to be
able to return to work in a few days.
I am, Sir, very respectfully,
Your obedient servant,

Dr. J. A. MacMahon,

30 Church Street, St. Catharines.

Dear Dr. MacMahon:

Yesterday I saw your son and spoke to him about your desire that he should not drill with the other students. He tells me that in deference to your wishes he is not drilling. Of course in the face of such strong desires it would be quite improper for us to expect that he should do so.

I am sorry that you have had to go through the sad experience of losing one of your boys and that Mrs. MacMahon is worrying over what might happen if your son were to undertake drill. He impressed me as being a modest and pleasant boy.

Yours sincerely,

President.

Mr. K. A. MacMillan,
127 Waterliffe Street,

Ottawa, Ont.

Dear Mr. MacMillan:

I am very glad indeed to send you a recommendation to file with the Deputy Minister of Trade and Commerce, which I hope may be of use to you when you return from the front.

I hear that the Toronto men are doing excellent work at Ottawa. I was told that General Lessard spoke in very complimentary terms of them. I met our men who are at Kingston yesterday and to-day. They seem to be in good spirits.

With kind regards, I am,

Yours sincerely,

Mr. J. M. McKim,

Dear Mr. McKim:

I have just read your letter of the 10th inst. and am
glad to hear that you are interested in the
history of the city. I have been thinking of you
very often lately, and I have been thinking of you
as a person who is interested in the history of the city.

Very respectfully,

Dear Miss Macraughton:

I have not yet decided anything about the
filling of the vacant position by the honorable Dean of Professor
Stevenson. However, I am sending your application with the testi-
monials to Professor Alexander, on whose report I must rely largely
in these matters.

Yours sincerely,

Rev. D. C. McJannet,

606- 104th Street,

Winnipeg, Alta.

Dear Mr. McJannet:

Your son has been disappointed as to any real trials
being for true recruits for the hospital that is being sent out by the
University of Toronto, for I assure that this is what he means by the
Army Medical Corps. On the hospital there will be only some fifteen
to twenty students taken. All the orderlies and other men in the ranks
will be taken from outside, as there is no official work that is suitable
for students in this hospital. Our students are existing in artillery
units or in the contingents. It is an awful business, but we hope that
another six months may see the worst of it over.

Yours sincerely,

President.

My dear Mr. Matthews:

I regret you quite well, and I am glad to hear from you. I think that the Presbyterian Church in Karloots would be very fortunate if they were to secure Rev. J. S. Sutherland of Vancouverland. I have known Sutherland very intimately now for many years. He is a most indefatigable worker, an excellent preacher, a very reliable man in every way, of good business capacity, and his wife is a great help to him. I do not know any one whose name I would not give him for your position. I hope that you will soon get word from him as to your place. My only doubt is whether he would want to leave Vancouverland for good.

With warm regards, I am,

Yours sincerely,

President.

I have to thank you for

Dear Father Murphy:

I am glad to have your letter which I have just received. There is no reason at all why the application that you made to the Matriculation Board should not remain without any action being taken on it at present. I do not see how it would be possible for me to go to Owen Sound until well on in April or in May.
